Copy of letter from the Director of Public Instruction, Madras, C.No.753 MC2/55 dated 17-3-53, addressed to The Secretary to Government, Education Department, Madras.

Sub: War - Educational concessions to children and dependants of soldiers Eligibility under G.O.No.610.Education dated 20-4-45 to certain cases.

While dealing with applications for the grant of Educational concessions under G.O.No.610 Education dated 20-4-45, cases of the following type come up for consideration.

(1) Students eligible for concessions discontinue their studies in the middle of a course or at the end of a stage and recommence their studies in the same course or in a different course, after a long break in studies.

(2) Students discontinue their Education and seek some jobs. After a break in studies, they recommence their studies either on the termination of services, or resigning their jobs or after applying for leave for continuing their studies.

2. I consider that this aimless pursuit after studies or discontinuance of studies simply because they get the benefit of Educational concessions needs to be checked with a view to ensuring that only bonafide students are granted concessions.

3. The following I consider as sufficient grounds for refusing the Educational concessions.

(1) A break of over one year in the studies would tend to retard the progress of the student and may therefore be considered a sufficient cause for disqualifying such cases for educational concessions.

(2) A student cannot be considered a dependant after he himself has been an earning member of the family in temporary or permanent capacity and such a student should be considered ineligible for Educational concessions.

4. I have been for sometime past refusing the educational concessions in such cases under G.O.No.610 Education dated 20-4-45. This is in accordance with the decision to refuse assistance under the "Further Education Scheme to demobilised personnel" who discontinue their studies and do not take up the course before the expiry of one year from the date of discontinuance of studies vide G.O.336 Education dated 18-2-52.

5. I have applied the same principle while sanctioning Educational concessions to children and dependants of soldiers under G.O.No.1879 Education dated 27-6-50 as only deserving cases are to be considered for assistance from the Post War Services Reconstruction Fund.

6. As there is no specific provision under G.O.Ms.No.610 Education dated 20-4-45 for the procedure adopted by me and for the sake of uniformity, I request that Government may approve of my above suggestion and issue necessary orders as early as possible.
